

# How to share a video on your phone via Google Drive

## **A. IF YOU DO NOT ALREADY HAVE GOOGLE DRIVE ON YOUR PHONE...**

1. *On iPhone:* Open **App Store**.  
*On Android:* Open **Google Play Store**.

2. **Search** for Google Drive.

3. *On iPhone:* Tap "**Get**" to download free Google Drive app.  
*On Android:* Tap "Install" to download free Google Drive app.

4. Then follow steps below.

## **B. IF YOU ALREADY HAVE GOOGLE DRIVE ON YOUR PHONE...**

1. **Open the email** Nick or Jane sent you "via Google Drive", and **tap the Open button** within the email body.

2. When Google Drive opens, **tap + button.**

3. Tap **Upload.**

4. Tap **Photos and Videos**. (Allow Google Drive to access your photos, if prompted.)

5. *On iPhone:* Tap **Recents**.  
*On Android:* Tap **Photos**.

6. Tap your video. Then Tap **Upload**.

7. Wait while the video takes a few seconds or minutes to upload.

8. You're done when Google Drive alerts you "all pending uploads have completed."
